## SUPER-SIZE THIS!

**HEROES** has served tasty food cooked to order since we first opened in November of 1998.

We're working hard to prepare your burger (and everything else) just the way you like it.

**WE'RE NOT "FAST FOOD"**— No talking chihuahuas, no secret herbs and spices,  
no fat guys named Dave wandering around the place...well, ok, two out of three...

So look, we're not the fastest food in town, but we know you're hungry so we'll hustle as best we can.

Thanks for coming in, and remember:

If some clown with red hair and big floppy shoes tells you he's got a burger to sell you,

**BE CAREFUL!**
